Brendan Haase is a Senior Account Executive at Flywire

Based in Atlanta, Brendan works for Boston based fintech Flywire (NASDAQ:FLYW). Flywire partners closely with Bank of America in the B2B space to assist in helping clients collect payments from over 240 countries and territories. In his role, Brendan consults directly with clients worldwide to advise them on leveraging Flywire to complete complex international transactions.

Prior to joining Flywire, Brendan worked for American Express in their Global Commercial Services division and has been working in the B2B space for 14 years.

Brendan holds a Bachelor's degree in Economics from Georgia Southern University and a Masters of Science in Project Management from Keller Graduate School of Management. He also has certificates in Leadership Excellence from Harvard Business School Executive Education and Business, International Relations and the Political Economy from The London School of Economics.
