---

Ralph MacNamara is the Chief Growth Officer at Kaufman Rossin, the largest independent accounting firm in Florida and one of the top CPA firms in the country.

Ralph provides audit, tax and advisory services to public companies, private businesses and entrepreneurs across a wide array of industries and helps domestic and foreign privately-held businesses and high net-worth individuals with international tax structuring and compliance. He has managed the world-wide operations of a global law firm with offices in Argentina, Brazil, China, Finland, Israel, Japan, Mexico, and Venezuela and has extensive experience exporting professional services.

A lifelong resident of South Florida, Ralph earned an MBA from the University of Miami with specializations in finance and marketing and holds a bachelor's degree in business administration from Florida International University.
